Who We Are

NCLC’s staff includes a diverse and talented group of advocates, lawyers, legal editors, administrative, finance, fundraisers, communications and marketing, and IT professionals. Our advocates and attorneys hail from many backgrounds, including government attorneys, private law practice, and civil legal aid, civil rights, labor, and other public interest positions.

NCLC is committed to maintaining a diverse, equitable and inclusive workplace. We strongly encourage applications from people of color, women, veterans, those who identify as LGBTQIA, and individuals with disabilities.

Benefits & Compensation

NCLC is committed to providing compensation and benefits that attract, retain, and appropriately reward employees to carry out our mission on behalf of low-income consumers. In addition to providing competitive salaries, NCLC places a high value on offering a full range of employee benefits and promoting an appropriate work-life balance for its staff.

Our compensation structure is reviewed periodically by an outside expert to ensure that it remains consistent with the organization’s values and mission, and with the changing labor market. In addition, most NCLC employees can expect an annual step increase and, when warranted, and annual market adjustment.

Our comprehensive employee benefits package includes:

- Employer-paid Health and Dental insurance premiums (includes individual, two person and family plans).
- Employer paid disability and group term life insurance.
- Paid time off including vacation time, sick leave, personal time, and 12 paid holidays.
