

HANGING UP ON TELEMARKETING ROBOCALLS

Overwhelmed by telemarketing calls? Tired of being asked to extend your vehicle's warranty? Fed up with offers for high-interest, predatory loans? Told the callers to stop but they won't?

Report telemarketing calls to the FCC! Consumer complaints help the FCC identify bad actors and stay alert to emerging trends. Visit [fcc.gov/complaints](https://www.fcc.gov/complaints) to file a complaint.

Protect your phone number. Avoid putting your phone number on online or in-person sweepstakes entries, free cruise drawings, and other traps placed by companies profiting off your data.

Take action! Tell the FCC to finalize its rules, clearly define "automated dialing," and close loopholes for calls without consent.
