Dear Mr. Dubois:

On behalf of all of us in Puerto Rico Legal Services Inc., (PRLS), we want to thank NCLC for your valuable support to our organization. The personnel have been very cooperative and the available materials have proved very useful.

The access provided to the NCLC Treaties has been a very valuable tool for our attorneys, offering them with most needed resources to effectively represent our low income clients. Almost a hundred PRLS attorneys have benefited from them.

We are very grateful to NCLC staff attorneys Geoff Walsh and Alys Cohen for co-partnering our Puerto Rico Mortgage Foreclosure Training on October 3; Staff Attorney Jon Sheldon for arranging the Manuals subscriptions for us; and Counsel Tara Twomey for her technical remote assistance support to our attorneys. The training was deemed a success; all attendees expressed how valuable was the information and materials provided.

We look forward to more collaboration in the future.

Again, thank you.

Sincerely,

Hadassa Santini Colberg Esq.
