

Group Letter that the FCC Expand the Lifeline Eligibility Criteria to Include Low-Income Veterans Programs

Dear Chairman Wheeler and Commissioners Clyburn, Rosenworcel, Pai and O’Rielly:

The undersigned organizations¹ are writing to emphasize the importance of broadband access for veterans and to thus support the FCC’s proposed modernization of the Lifeline program and inclusion of veterans program in the Lifeline eligibility criteria.² A modernized Lifeline program that provides a subsidy to help low-income veterans to obtain broadband Internet at home would be extremely valuable.
