Who Owns the Note?: A Securitization Primer

Since the turn of the century, the majority of residential loans have been securitized with the mortgage loans being transferred numerous times as they move through the securitization process. This session will delve into the Uniform Commercial Code—articles 1, 3 and 9—to figure out whether loans were properly transferred between parties and who really owns the note.

**Presenters:** Tara Twomey (National Consumer Law Center)

This webinar is made possible by the Arizona Attorney General's Office with funding from the National Mortgage Settlement.
