

Payday Loan Battles: Preparing Before the Fight Even Begins

October 2, 2018

As payday loans evolve, payday and other small-dollar lenders are pushing states to permit even more unaffordable high-cost loans that will plunge families into an even bigger and deeper debt trap. Advocates need to anticipate and prepare for these efforts well before bills are introduced and the lobbying begins. This webinar will focus on successful efforts across the country to use story gathering, coalition building, policy briefs, reports, polls, and other educational efforts to fight predatory lending.
